PARIS WEEKEND 2012

There will be a Paris Information Evening for parents/students on Monday 30th January 6-7.00pm in the Main Hall. Please hand in any European Health Insurance Cards if you haven't already done so. The final payment of £120 is due by Monday 30th January. Any outstanding payments should be taken to the Finance Office. Thank you.

The School Library is collecting Box Tops 4 Books. Please bring your Box Tops coupons from Nestle Cereals into the Library to help us earn free books for our school.

Parent Evening Dates

Year 11 - Wednesday 8th February 2012

Year 10 - Thursday 23rd February 2012

Year 7 - Thursday 15th March 2012

Year 8 - Thursday 22nd March 2012

Please see the dates of the forthcoming parents' evenings. Your son/daughter will bring a letter and a booking sheet home with them closer to each date. Students have the responsibility for seeking out appointments from subject teachers on your behalf but if you feel they are not doing so please contact your child's tutor who may be able to book appointment on your behalf.

The January series of exams is nearly finished with just one exam remaining. This is Physics for Year 11 triple scientists on Monday 30th January at 1.15pm. Please remember as always to be lining up at 1.00pm

Students will need a ruler and calculator as well as black pen.

I would like to commend all students for their impeccable behaviour during the January GCSE series.

A special mention must go to those students in Year 10 who have sat exams. For most this was their first experience of a 'real' exam under strict exam conditions and they certainly impressed all staff. They had their correct equipment, were organised and punctual as well as extremely respectful and adherent of the rules and regulations. Well done and please keep it up for all forthcoming exams!

The results from the January series will be available to students on the 8 March 2012.

The next set of GCSEs will be in March (1 - 7 March) when some Year 11 students will be sitting Mathematics and/or Science papers and Year 9's will be taking Functional Skills in English. A general timetable and individual candidate timetables will be published soon.

Term Dates
Term 3 finishes
at 3.15pm on
Friday 10th February
Term 4 starts
at 8.40am on
Monday 20th February
